 Input into and update in ERC:  Corina Oprea Position: Programme Finance Analyst Unit/Bureau: UNDP Moldova

Recommendation of the final evaluation	Management response	Key actions	Responsible for implementation	Due Date
<p><b>1. Improve project design aspects in the next phase.</b></p>	<p>The CO dedicates sufficient time and resource for the adequate planning and design of the next phase of Joint Action in TN proposal</p>	<p>1.1. Hire an Individual Consultant to work with all involved UN Agencies to develop a coherent logic of intervention and assessment in the next phase of Joint Action in TN</p>	<p>UNDP CO/IG Cluster</p>	<p>31/12/2018</p>
<p><b>2. Mainstream RBM approach through the project lifecycle and strengthen monitoring, data collection and reporting.</b></p>	<p>RBM is an important element of all UN interventions and will be better tailored into future initiatives</p>	<p>2.1. Hire a Programme Manager to be in charge of overall coordination and compliant results-based program management.                      2.2. Provide capacity development on RBM to the local partners in the next phase of Joint Action in TN proposal                      2.3. Develop a detailed plan for monitoring, use monitoring templates, collect data and report against performance indicators in the next phase of Joint Action in TN.</p>	<p>UNDP CO/IG Cluster</p>	<p>31/12/2021</p>
<p><b>3. Use comprehensive and coherent approach towards capacity development.</b></p>	<p>Develop a complex approach towards capacity development of CSOs and other stakeholders within the next phase of Joint Action in TN proposal, in terms of planning, managing, assessing and reporting.</p>	<p>3.1. Elaborate a joint action plan for the capacity development of CSOs from both banks in the next phase of Joint Action in TN.                      3.2. Develop pre- and post-intervention assessment tools, after the capacity development events, in the next phase of Joint Action in TN.</p>	<p>UNDP CO/IG Cluster</p>	<p>31/12/2021</p>

<p><b>4. Develop and implement a Lobby &amp; Advocacy Plan regarding HR policy and de facto normative framework.</b></p>	<p>Given the sensitivity of advocating for policy and regulatory changes in the Transnistria region, UN agencies will carefully examine and select areas where such changes can be promoted, mainly through capacitating civil society to advocate for alignment of frameworks to the international human rights standards in the field</p>	<p>4.1. Develop a human rights framework for the implementation of Thomas Hammarberg and other UN recommendations 4.2. Capacitate civil society from Transnistrian region to advocate for the alignment of the de-facto regulatory framework to the international human rights standards</p>	<p>UNDP CO/IG Cluster</p>	<p>31/12/2021</p>
<p><b>5. Support blogging as awareness raising and HR culture development initiative.</b></p>	<p>Identify funds to implement project to enhance the human rights culture in the Transnistrian region</p>	<p>5.1. Implement activities oriented towards creating a human rights culture for addressing human rights in the media and in the society at large along with increasing the capacities of the duty bearers to protect, respect and fulfil human rights in the region</p>	<p>UNDP CO/IG Cluster</p>	<p>31/12/2021</p>
<p><b>6. Mainstream uncompleted and still relevant commitments in the next joint action.</b></p>	<p>Future interventions of UN agencies in the field of human rights in Transnistria region will ensure full functionality of the previous interventions</p>	<p>6.1. Conduct a needs assessment of unfinalized commitments from the current phase of the Joint Action in TN</p>	<p>UNDP CO/IG Cluster</p>	<p>31/03/2019</p>
<p><b>7. Use blended format of Delivery as One and include a Program Manager position.</b></p>	<p>The next phase of Joint Action in TN will follow <i>Delivering as One</i> approach thus aiming to enhance the coherence, efficiency and effectiveness</p>	<p>7.1 Apply a cross-component approach in the next phase of the Joint Action in TN, ensuring that all involved UN agencies jointly contribute to the achievement of project objectives by building on their respective mandates, operational capacities and competency areas. 7.2 Include a Programme Manager position in the next phase of Joint Action in TN project proposal to ensure overall coordination, and compliant results-based program management, close monitoring and evaluation of program's progress, observance of procedures, transparency and efficient use of funds.</p>	<p>UNDP CO/IG Cluster</p>	<p>31/12/2021</p>
