Explanatory note to justify confidentiality of PVE Outcome Evaluation Report “Evaluation UNDP Jordan Country Office’s Action to Prevent Violent Extremism”

UNDP Jordan CO initiated a PVE Outcome Evaluation Report over the period from September 2020 till the end of March 2021. The objective of the evaluation focused on promoting accountability and learning to form the basis of a forward-looking vision to strengthen UNDP's support to the national P/CVE response in Jordan. The evaluation was designed to cover the five PVE projects implemented by the Jordan Country Office over the period from March 2016 to March 2021.

In line with UNDPs commitment to respect the declared position of the Government of Jordan and understanding the perceived sensitivities around the topic of PVE, the report “Evaluation UNDP Jordan Country Office’s Action to Prevent Violent Extremism” is labeled as confidential on UNDPs Evaluation Resource Center database with restricted access.
