Subject: Your request regarding final project evaluation

Dear Mr. Dauti

We have received your request from 16 September 2021, in which you ask for our approval to cancel final evaluation of the project "Empowering Municipal Councils". After reviewing your request, especially the argumentation that there was a successful Mid Term Review conducted in 2019, as well as a PEFA assessment in April 2021, and also having in mind the worsening Covid-19 situation in the country, we approve your request to cancel the Final project evaluation.

We kindly ask you to include this information and correspondence in the final report to be submitted to our office after the end of this phase of the project.

Sincerely yours,

The Ambassador of Switzerland

Sybille Suter Tejada
