Dear **MR. MEYER**:

We are pleased to indorse the completed Final Mid-term Review Report of the "Hazards Mapping and Assessment for Effective Community-based Disaster Risk Management or READY Project", done by independent Consultants, as required by the Australian Agency for International Development (AusAID).

The READY Project Management Office finds the final MTR Report in order and we trust that UNDP will continue its support to the Government of the Philippines in the continuing implementation of the Project.

Thank you and our warmest regards.

Very truly yours,

GLENN J. RABONZA
Administrator, OCD and
Executive Officer, NDCC/
READY Project Manager
