

UNDP Management Response to UNDISC Independent Evaluation (2016-2020) Executive Summary

Evaluation recommendation 6. The UN should maintain and enhance its partnerships with civil society, the private sector, and with government.				
Management response: The recommendation is accepted and following key actions proposed by UNDP				
Key Actions:	Completion date	Responsible unit(s)	Tracking	
			Comments	Status
6.1 UNDP will seek ways to engage CSOs in decision making mechanisms mostly at the local level via preparing a civic engagement strategy and an action plan for improving partnerships of CSOs with local authorities.	December 2023	UNDP		Not initiated
6.2 UNDP will accelerate its work with private sector on SDG integration, in terms of policy response, financing, data collection and innovation in prioritized areas of development including but not limited to circular economy, gender equality and disaster preparedness through Business for Goals and Connecting Business Platforms	December 2023	UNDP		Initiated
6.3 UNDP will actively contribute to UN Partnerships in Development task force and transfer accumulated experience and knowledge on private sector partnerships and financing for development	December 2021	UNDP		Initiated
Evaluation recommendation 7. The UN should continue to be a beacon and upholder of human rights, governance and equality and a supporter of the most vulnerable groups.				
Management response: This recommendation is accepted and following key actions are proposed by UNDP.				
Key Actions:	Completion date	Responsible unit(s)	Tracking	
			Comments	Status
7.1 UNDP CO will lead Results Group on Democratic Governance and Human Rights for the next 5 years	December 2025	UNDP		Initiated
Evaluation recommendation 8. UN should continue investing efforts to address gaps in availability of data to measure progress against SDGs, ensuring that disaggregated data is available for different groups left behind				
Management response: This recommendation is accepted and following key actions are proposed by UNDP.				
Key Actions:	Completion date	Responsible unit(s)	Tracking	
			Comments	Status

8.1 UNDP will enhance its cooperation with Strategy and Budget Office and TUIK for enhanced coordination to monitor/report on SDGs with a specific focus on LNOB approach at national and local levels	December 2025	UNDP, SBO, TUIK		Not initiated
8.2 UNDP will enhance partnership with local authorities to collect/analyze data on SDGs through the improvement/introduction of database systems and develop tailored service delivery policies for disadvantaged groups	December 2025	UNDP, UoM	via Yerel Bilgi software	Initiated
8.3 UNDP will enhance cooperation with Public/private sector to map analyze investment opportunities and strengthen ecosystem for innovative financing in a way to respond to specific needs of groups left behind	December 2025	UNDP, B4G, CBI		Initiated
Evaluation recommendation 9. Given the ambiguous prospects for the Syrian refugee population hosted in Turkey and uncertain funding prospects, a consistent investment in different strategies, including exit strategy and transition from humanitarian to development priorities should be formulated and new partnerships should be designed. An urgent engagement on public or private finance for refugee-focused programmes is needed to bring sustainability to the results achieved so far for the most vulnerable.				
Management response: This recommendation is accepted and following key actions are proposed by UNDP.				
Key Actions:	Completion date	Responsible unit(s)	Tracking	
			Comments	Status
9.1 UNDP will develop a Durable Solutions to Displacements priority as part of its CPD. Within this theme, resilience-based development will be reinforced to support a gradual transition from humanitarian to development priorities aligned with the double nexus, 3RP objectives and partners as well as the new UNSDCF and National Development Plan	June 2021	UNDP Turkey Program Team, 3RP partners and RC office		Initiated
9.2 UNDP will continue diversifying its donor portfolio with IFI, DFI and institutional donors, (EU and European states, Arab states, USA, Canada, Japan etc) to develop a multi years and plan to sustain its support to refugees.	December 2025	UNDP Turkey, HQ, regional office		Initiated
9.3 UNDP as a co-chair of the 3RP will continue advocating for more funding and interest in the model of resilience building at individuals, community and institutional levels with regular donors meetings, collaboration with IFIs and government stakeholders, sharing experiences with other governments, be part of community of practice etc. Strong emphasis will be taken on the localization approach (e.g. municipalities), social cohesion and engagement with the private sector to continue building up the self-reliance of refugees and impacted host communities while reinforcing the resilience of public institutions.	December 2022	UNDP, UNHCR, RC office, 3RP partners		Initiated

9.4 In collaboration with UN agencies and RC office, UNDP will strive to align the 3RP resilience objectives/indicators with the UNSDCF to help contribute to long term planning and funding of the resilience approach.	December 2022	UNDP, UNHCR and 3RP partners		Initiated
