

## MANAGEMENT RESPONSE TEMPLATE

### UNDP/GEF Terminal Evaluation Management Response and Tracking Template

**Project Title:** “Effective and responsive island-level governance to secure and diversify climate resilient marine-based coastal livelihoods and enhance climate hazard response *capacity*”

Project PIMS: 4571

Terminal Evaluation Completion Date: 18 June 2019

Key issues and Recommendations	Management Response *	Tracking*	Timeframe	Responsible unit(s)	Status***	Comments
Develop a “Roadmap for the Way Forward”.	For sustainability and continuity, it is recommended that the Department of Environment facilitate this and also explore integration with other UNDP- GEF projects in Tuvalu.	Department of Environment not to facilitate	Ongoing activity	Department of Environment	Pending	Also suggest other UNDP -GEF supported projects consider including some of these activities into their annual work plans
Search for alternative means of financial support to implement the “canoe building” activity	Recommendation supported	UNDP and Government to explore other financial opportunities	Ongoing activity	Department of Environment	Pending	Also suggesting that this is considered in programming for GEF 7 or LDCF for Tuvalu
It is recommended to conduct a planning exercise of GEF-7 resources.	A prerogative of Government	Department of Environment to facilitate planning and prioritization exercise in country	ON going	Department of Environment	Pending	National Government to facilitate and UNDP assistance available upon request

<b>Key issues and Recommendations</b>	<b>Management Response*</b>	<b>Tracking**</b>	<b>Timeframe</b>	<b>Responsible unit(s)</b>	<b>Status***</b>	<b>Comments</b>
Conduct a social acceptance study of soil-less food production systems.	Results of such a study will provide useful insights into sustaining food security efforts promoted through various development initiatives	Department of Environment to facilitate	Ongoing activity	Department of Environment	Pending	An integrated approach required, involving other Departments such as Agriculture, Rural Development and Island Councils.
To make NAPA-2 knowledge, lessons learned and best practices available to all development actors in Tuvalu, including other development projects	Recommendation supported	Department of Environment to facilitate sharing of experiences with other Departments and projects	Ongoing activity	Department of Environment	Pending	The sharing of experiences will assist other projects, Departments and Councils make informed decisions about developments. Project Implementation Unit to also compile a terminal report.
