Dear Sir,

### Handing over reports and Campaign Material of the DATA Project

The project "Ensuring global environmental concerns and best practices mainstreamed in the rapid development process of Sri Lanka through improved information management" (DATA Project) was implemented by former Ministry of Disaster Management and UNDP for 3 years with its official closer on 31<sup>st</sup> December 2018. As you are aware, lot of materials and reports relating to climate change, disaster risk reduction, land degradation and biodiversity have been produced during the implementation of this project.

With this background, we would like to officially hand over materials developed under this project to the Ministry of Public Administration and Disaster Management. Further, we request to disseminate these materials to relevant stakeholders as appropriate.

The list of documents includes:

- Reports from Individual and Institutional Consultations
- Awareness Campaign Material
- Information on the Workshops and Trainings conducted by the Project
- Case Studies and Modules prepared to promote 'evidence-based decision making'
- Project Reports and Findings
- Data Fields and Findings for 3 Rio Conventions and the SFDRR

The above-mentioned documents have been included in the CDs that is submitted with this letter.

Sincerely,

Varuna Sanjaya Dharmaratna
