**Subject: Request for approval by Steering Committee Members on Programme
Implementation Documents**

Dear Mr. Valent,

I refer to your letter dated 11 May 2018 requesting endorsement of key documents for the project 'Support to Education Sector in East Jerusalem' prepared by the project's technical team outlining the implementation plans for the various project interventions. We do understand the challenge of finding a suitable time for all members of the Steering Committee to conduct the first Steering Committee meeting, and agree to your proposal of approving the key documents by exchange of letters.

As a member of the Steering Committee, we have reviewed the abovementioned documents and hereby confirm our approval to proceed with the implementation of the project as outlined in documents listed below:

- Request for Proposal – Design services for the two schools in Shu'fat and Mount of Olives
- Detailed and final training programmes for enhancing quality of education
- Provision of support for students with psychological, social and educational problems in East Jerusalem
- Provision of technical assistance for enhancing the management capacity of the Jerusalem Directorate of Education
- Selection criteria - quality education and counselling support
- Request for Proposal – GEO mapping activity
